Eric-
I'm available all of 6/29, with a slight preference for the AM.

Subject: Next FS Team Meeting

I would like to schedule an FS team meeting for Monday, June 29th. The purpose of the meeting will be to discuss the development of the FS Matrix, discuss and finalize comments on the treatment technology table and do some future planning. We will be developing additional information regarding the FS matrix to provide prior to the meeting to facilitate discussion. Please let me know whether the 29th will work and whether you would prefer the morning or the afternoon.

Thanks, Eric
